

SQUARE

“Keep it simple but make it unique.”

HIGH EFFICIENCY

The high luminous output at low power provides an energy efficient luminaire - up to 175 lm/W.

LIGHT WHERE YOU WANT IT

The luminaire is available either with direct light only or also with additional indirect lighting.

SLIDE & LIGHT

Simply sliding the housing into the canopy allows an easy installation of the surface luminaire.

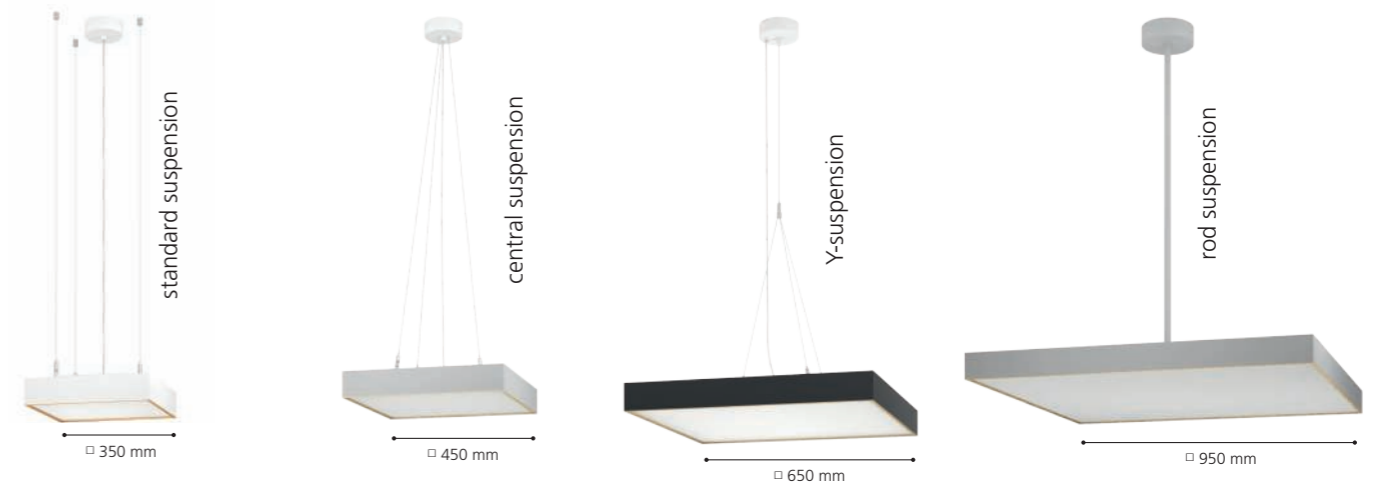

NO INSECTS – NO PROBLEMS

With an IP50 rating the luminaire is protected against insects and dust.

MAKE YOUR WISH COME TRUE
